

# DHRUVAN VACHHANI

## WEB DEVELOPER

### Profile

I have hands-on experience in building full-stack applications with a strong focus on MERN Stack (MongoDB, Express JS, Node Js, React Js). Proficient in building responsive UIs, RESTful APIs and integrating third-party services. Strong focus on clean code, performance and user experience.

### Education

#### Bechelor of Computer Application (BCA)

Gujarat University, Ahmedabad

#### Higher Secondary Education (11<sup>th</sup> – 12<sup>th</sup> Grade )

Shree Swaminarayan Gurukul, Junagadh

Completed in March 2023

### Project Experience

#### MediLink – Online Medicine Ordering and Delivery System

- MediLink is an advanced online medicine ordering and delivery system developed using the MERN stack. It is web-based platform that allows customers to search, reserve, and purchase medicines from nearby medical shops

#### Trend – Twist Social Media Platform

- A privacyfirst, performant social media web app built with the MERN stack that supports: realtime messaging, stories, posts, likes, shares, comments, user search, friend requests, private profiles, profile updates, and viewing engagement.

### WORK EXPERIENCE

#### BrainyBeam Technologies Pvt. Ltd.

Full Stack Web Developer

- Developed full-stack web applications using MongoDB, Express.js, React.js, and Node.JS, delivering responsive and scalable solutions.
- Designed and implemented RESTful APIs for seamless communication between frontend and backed services.
