

DHRUVAN VACHHANI

Full Stack Developer

+91 8866525914 @ dhruvanpatel8866@gmail.com Junagadh, India

SUMMARY

- I am a performance-driven Full Stack Developer with hands-on experience in building scalable, enterprise-grade web applications utilizing the MERN stack. My proven ability to design secure RESTful APIs, optimize database performance, and deliver high-availability systems showcases my strength. I possess a solid understanding of clean architecture and modular development, ensuring my projects meet production-ready standards

EXPERIENCE

Full Stack Web Developer BrainyBeam Technologies Pvt. Ltd

07/2025 Ahmedabad

Company specializing in delivering technology solutions

- Engineered scalable MERN-based web applications serving real-world business workflows
- Designed and deployed RESTful APIs improving frontend-backend efficiency of communication
- Optimized MongoDB queries reducing response time and enhancing performance
- Implemented secure authentication and role-based access control systems
- Collaborated with cross-functional teams to deliver enterprise-ready production solutions

EDUCATION

Bachelor of Computer Application Gujarat University

08/2019 - 06/2023 Ahmedabad

Higher Secondary Education Shree Swaminarayan Gurukul

04/2021 - 03/2023 Junagadh

KEY ACHIEVEMENTS

MERN Stack Applications

Successfully delivered enterprise-grade applications using the MERN stack

SKILLS

SQL	MongoDB	Express.js	
React.js	Node.js	REST API	
JavaScript	Tailwind	Git	
GitHub	Postman	MVC	JWT
Python			

PROJECTS

MediLink

01/2023 - 04/2023

Online Medicine Ordering Platform

- Developed full-stack e-commerce-style medical ordering system with authentication & order-tracking system
- Implemented secure API integration and optimized database schema for scalability

Trend Twist

05/2023 - 06/2023

Social Media Platform

- Built scalable social media platform featuring posts, likes, comments, messaging & real-time interactions
- Designed modular backend architecture supporting high-performance API responses
